

## ALONE

Here we are  
You find me at your feet  
There are many things that I  
Would like to say to you

But do you want to hear me?  
Do you, do you want it?  
No I don't want to give it up  
No I Don't, I don't want it!

Here we are  
You find me in my pain  
Can't you see that I  
That I 'm so tired?  
You gave me the love that I  
I needed so much  
I needed so much

But do you want to hear me?  
Do you, do you want it?  
No I don't want to give up  
No I Don't, I don't want it!  
Do you want to leave me?  
Do you? Do you want it?

I am falling down as you can see  
Silence all around but I can't scream  
I am falling down alone  
From you I am far away  
I am falling down please rescue me
